Sir:

Please revive the unintentionally abandoned PCT application PCT/US2003/018666, which was unintentionally abandoned on December 13, 2004 for failure to file a U.S. national phase application claiming its benefit.

Applicants submit herewith a U.S. national phase application (assigned Attorney Docket No. PP019482), an application data sheet making a priority claim to PCT/US2003/018666, and a preliminary amendment.

The entire delay in filing this required reply from the due date for the action (December 13, 2004) until the filing of this petition was unintentional.

No terminal disclaimer is required because the application was filed after June 8, 1995.

Charge Deposit Account No. 19-0733 for the petition fee.

Respectfully submitted,

BANNER & WITCOFF, LTD.
